Meet Parvez
Working in an MNC
Lives alone
Charming

Medical Problems : Diabetic and Cardiac Problem

On a normal day routine

Meet **Kirti**
Housewife
Husband works in IT firm 5 km away from home
She takes care of 2 Kids

Medical Problems : High blood pressure

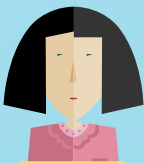

On Abnormal day

Baby cries

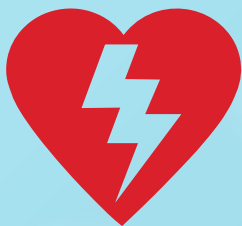

Fights with her husband

Without DigiCare

She starts loosing temper

With DigiCare

BP rises and she gets
Heart attack

Husband calls and tell
neighbor to check

Take her to hospital

BP rises she gets a
Warning but ignores

Husband is alerted as second
threshold is crossed

Husband rushes back home
and take her to hospital
